

I don't wanna go another day
So I'm telling you exactly what is on my mind
Seems like everybody is breaking up
Throwing their love away
But I know I got a good thing right here
That's why I say (Hey)

Nobody gonna love me better
I'ma stick wit you
Forever
Nobody gonna take me higher
I'ma stick wit you
You know how to appreciate me
I'ma stick wit you
My baby
Nobody ever made me feel this way
I'ma stick wit you

I don't wanna go another day
So I'm telling you exactly what is on my mind
See the way we ride
In our private lives
Ain't nobody getting in between
I want you to know that you're the only one for me What I'm saying

Nobody gonna love me better
I'ma stick wit you
Forever
Nobody gonna take me higher
I'ma stick wit you You know how to appreciate me
I'ma stick wit you
My baby
Nobody ever made me feel this way
I'ma stick wit you

And now
Ain't nothing else I can need And now
I'm singing 'cause you're so, so into me
I got you
We'll be making love endlessly
I'm with you (Baby, I'm with you baby)
Baby, you're with me (Baby, You're with me)

So don't you worry about
People hanging around
They ain't bringing us down
I know you and you know me
And that's all that counts

So don't you worry about
People hanging around
They ain't bringing us down
I know you and you know me
And that's, that's why I say, hey

Nobody gonna love me better
I'ma stick wit you

Forever
Nobody gonna take me higher
I'ma stick wit you
You know how to appreciate me
I'ma stick wit you
My baby
Nobody ever made me feel this way
I'ma stick wit you

Nobody gonna love me better
I'ma stick wit you
Forever
Nobody gonna take me higher
I'ma stick wit you
You know how to appreciate me
I'ma stick wit you
My baby
Nobody ever made me feel this way
I'ma stick wit you
