

# Can't Walk Away

Tiffany Evans

Just when I'm saying whatever  
Clean slate we're back together  
We're just now, see boy now I know better oh oh oh...

Then we go losing our temper  
I'm outro saying forget you  
But I can't keep it moving and let you go oh oh oh...

I..I..I can't walk away from you when i say we're through  
Don't how you do me the way you do me the way u do  
I wish that i never met u  
Cuz i cant walk away from you when i say were thru  
Don't know how i'm so damn in love wit u  
I cant walk away from you

How many times did you say sorry  
Just to turn around and say you don't want me  
Flip it back, back and spend a night callin oh oh oh...  
And I got a big fool think of gettin closer  
Everytime we're cool youre tellin me that its over  
And youre playin games  
Even thou its old i know oh oh oh...

I..I..I can't walk away from you when i say we're through  
Don't how you do me the way you do me the way u do  
I wish that i never met u  
Cus i cant walk away from you when i say were thru  
Don't know how i'm so damn in love wit u  
I cant walk away from you

Just when i'm sayin its time to move on  
Just when i'm tellin eveybody im gone  
I gotta check myself  
Cus the truth I can't be...  
Nowhere without you  
Its all about you  
Cant be wit noone if its not u  
Baby wat am i gonna do  
I cant walk away from you

I..I..I can't walk away from you when i say we're through  
Don't how you do me the way you do me the way u do  
I wish that i never met u  
Cus i cant walk away from you when i say were thru  
Don't know how i'm so damn in love wit u  
I cant walk away from you

I..I..I can't walk away from you when i say we're through  
Don't how you do me the way you do me the way u do  
I wish that i never met u  
Cus i cant walk away from you when i say were thru  
Don't know how i'm so damn in love wit u  
I cant walk away from you

Wake up and make up, wake up and break up then we do it all over again
