

# I Can't Fight

Tiffany Evans

This I what I don't like, baby,  
You say something that always gets under me.  
We argue then we go our separate ways,  
You come back like everything's the same.  
You always know a way to get to me,  
Whisper in my ear how much you want me  
Now how the hell can I stay mad, boy?  
Especially when you know just where to touch me.

Cause you know just what I want,  
I try to be strong  
when it comes to you,  
You always break me down, boy.  
Give me good love  
you take it, cause it's yours  
When its all said and done  
I come back for more.

Cause you love me like you, love me like you, love me like you do  
Touch me like you, touch me like you, touch me like you do,  
I can't fight, no, baby  
I can't fight, oh. oh.  
My body said it, said it, said it  
Said it, said it, said it.

Don't you get to wondering if I really love you  
Boy, there ain't no question  
you must be on some other.  
Forget about the rest  
baby, you're the one I'm running with.  
Giving you real love  
ain't no need for me to be counterfeit.

You know that I love you  
you know that I need you,  
You know that I wanna, I wanna please you,  
And you know you're my honey  
And you be giving me the best love.

cause you know just what I want,  
I try to be strong  
when it comes to you,  
You always break me down, boy.  
Give me good love  
you take it, cause it's yours  
When its all said and done  
I come back for more.

Cause you love me like you, love me like you, love me like you do  
Touch me like you, touch me like you, touch me like you do,  
I can't fight, no, baby  
I can't fight, oh. oh.  
My body said it, said it, said it  
Said it, said it, said it.

I love the way you love me,  
Baby, your loves like honey.

Give me all that I'm wanting,  
Let all your love rain on me.  
I love the way you love me,  
Baby, your lovezs like honey,  
Give me all that I'm wanting,  
Let all your love rain on me.

cause you know just what I want,  
I try to be strong  
when it comes to you,  
You always break me down, boy.  
Give me good love  
you take it, cause it's yours  
When its all said and done  
I come back for more.

Cause you love me like you, love me like you, love me like you do  
Touch me like you, touch me like you, touch me like you do,  
I can't fight, no, baby  
I can't fight, oh. oh.  
My body said it, said it, said it  
Said it, said it, said it.
