Certified and all that You say want you want

Dark child Yes yelling to the lite beat and It's b-dub and tiffany and We are in the place to be and We came in to move your feet and Get things jumping like they supposed to Teen magazines were jumping right out the posters Can't believe what you seeing then look closer I know you can't believe she getting older She's just a teen, So how could she Really know what she wants I can't believe You'd think I'd run and tell you're mean to me When it's really like She mean ain't she I know just what you think You're so stuck in the past Like stone-washed jeans And I can endorse Anything through me I'm flyer then you'd ever thought I'd be You wonder why I'm so cold You coulda been more involved but no I'm not the girl that you knew before I can't believe you didn't know I'm grown I'm grown now Certified and all that You say want you want You can't take a thing from me I'm grown now (oh) I... I... I'm grown now (I'm grown) I'm grown now Got my own money You ain't gonna run me I ain't no dummy I'm grown now (yea...) I... I... I'm grown now (I'm grown) I can't believe, they tryna block me But your still playing them games I thought you'd be Up in my lead but no you can't compete Back up don't touch gotta give me 50 feet Cause I'm on another level I'm bringing things to life like I'm Japetto This is the last time that I'm gonna tell you I'm doing it big now, you wanna piece let it go You wonder why I'm so cold You coulda been more involved but no I'm not the girl that you knew before I can't believe you didn't know I'm grown I'm grown now

```
You can't take a thing from me
I'm grown now (oh) I... I... I'm grown now (I'm grown)
I'm grown now
Got my own money
You ain't gonna run me
I ain't no dummy
I'm grown now (yea...) I... I... I'm grown now (I'm grown)
Aye tiff yo big brotha got you, it's nothing
You push one hand to the cloud then back to the wind
Bow and tiff evans is back at it again
Yea ma you grown go on and let you rims spin yea
You got ya lil premiers
These 50 lil days go on and let you paint drip (drip drip)
Tell your parents don't trip
And with ya girls go on ya lil trips
It's your world lil mama it's your life to live
Believe that
I'm not those girls your used to dating
I gotta unique situation (I'll tell you the truth)
You can travel the world but you'll never find
Someone (that does what I do)
I'll have you open cause
I'm grown now
Certified and all that
You say want you want
You can't take a thing from me
I'm grown now (oh) I... I... I'm grown now (I'm grown)
I'm grown now
Got my own money
You ain't gonna run me
I ain't no dummy
I'm grown now (yea...) I... I... I'm grown now (I'm grown)
