

# Thinkin' About

Tiffany Evans

They say u neva miss a good thing  
Not until its walked out of your door  
But be careful what u wish  
Cause someday you just  
Might get what your asking for, yea

And i know just what they say (now)  
Yes i wish you could leave me alone  
Neva should have been wishing  
Your love and affection  
Thats some otha gurl

I hate this feelin  
Don't know what to do  
Baby i'm caught up  
Never imagined it'd be  
Unable to stop

Thinkin' bout  
Lovin' you  
Thinkin' bout  
Kissin' you  
Thinkin' bout  
Needin' you  
Cause i'm so won over boy  
Don't want no other

Thinkin' bout  
Lovin' you  
Thinkin' bout  
Kissin' you  
Thinkin' bout  
Needin' you  
Cause i'm so won over boy  
Don't want no other, now

I remember how it use to be  
You were constantly ringing my phone  
I always played u off  
Neva took your calls  
I guess its my fault  
Can't sit and think of all the could have be's  
Or the thought of me being so wrong  
It's time to face the truth  
Now i've dropped the ball  
Now i've sat here missin you  
Wishing you'd call

I don't know how i  
Could be such a fool  
Baby i'm caught up  
Never imagined it'd be  
Honorable to stop

I don't know how hard  
It's gonna be to win you back over  
(gotta play this off)

Gotta play this one tight  
Might not get another chance to  
Show ya'  
I just can't see living my life without u baby  
Cause this time i don't wanna miss out  
Don't wanna spend no more of my time just
