Boy I'm not crazy no, see you been slipping yeah.
And I think it's 'bout time I let you go.

If you want to go and keep saying, I'm just tripping, I'm just tripping out.
Baby I won't be fighting, you'll be missing, you'll be missing out.
I ain't living this lie and no I ain't gone cry.
You can keep it moving baby, you can keep it moving baby.
