

Last Song

Giardina Tiffany

La, la, la, la, la, la, la, la, la, la, la

Here are just some of the words that I wasted on you
Love, trust, us, crush
Everything that's in between
Every single melody reminds me of a memory
Hey you guess what?

Here's a song to tell you that we're through
No more wasted voice on you
No matter where you go these notes will find you

Sorry baby, this will be your last song
Kept it easy so everyone can sing along
We all know it now
All the things you did wrong
Let's remind him
Everybody sing along
(Everybody sing along)
La, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la

Here are the words that I use to describe you now
Idiot, loser, toss away, and user
Lots of names I may be, but now you can't call me baby
Cause you know I'm not that
Got that?

Ooooooh
I hope this really bothers you
Harmonies will haunt you
(Yeah, yeah, yeah, yeah)

Sorry baby, this will be your last song
Kept it easy so everyone can sing along
We all know it now
All the things you did wrong
Let's remind him
Everybody sing along
(Everybody sing along)
La, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la

Can you think of all the things that I could write about without you
(No more songs about you)
You can't hide
And you can't turn back
I hope you get that
Everybody, everybody
Knows the truth
All the one's that you'll pursue, will see this song
Stuck on you

(La, la, la, la, la, la, la, la, la, la, la)

Wasted seconds, turned to minutes, turned to hours of my time with you
Hey you guess what?
This is one song to take away with you
I hope you like it

Sorry baby, this will be your last song
Kept it easy so everyone can sing along
We all know it now
All the things you did wrong
Let's remind him
Everybody sing along
La, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la

Sorry baby, this will be your last song
Kept it easy so everyone can sing along
We all know it now
Everything you did wrong
Everybody sing along

La, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la, la, la
