

# Move On

Giardina Tiffany

I'm not your girlfriend  
You never listen  
You can't admit it, that this is ending

You can never change who I am  
I need to tell you I'm sorry

I gotta move on, tonight  
And I'm never looking back  
On everything, you and me  
I can't fake it no more  
Uh oh, uh oh  
(For anything)  
Uh oh, uh oh  
(You)

You're not my boyfriend  
Why don't you get it?  
Well are you listening?  
Must I repeat this?

You can never change who I am  
I need to tell you I'm sorry

I gotta move on, tonight  
And I'm never looking back  
On everything, you and me  
I can't fake it no more  
Uh oh, uh oh  
(For anything)  
Uh oh, uh oh  
(You)

I just want you to listen  
I really want you to listen to me  
Why don't you realize it's getting older  
Time is closer  
Now it's over

I gotta move on, tonight  
And I'm never looking back  
On everything, you and me  
I can't fake it no more  
Uh oh, uh oh  
(For anything)  
Uh oh, uh oh  
(You)

Uh oh, uh oh  
(For anything)  
Uh oh, uh oh  
(You)
