

# Seven Days In

Giardina Tiffany

First day that we met i had my guard up  
Da, da, da  
Theirs noway im givin in so fast  
Cause love hurts  
48 hours later hes still waitin  
Da, da, da  
Some how he just knew that it would work  
Whoa  
And by the 5th day, im laughing so hard  
When he tried to play my favorite song on his guitar it proves me wrong

7 days in  
My head it spinnin  
Im falling so fast  
I just wanna crash into it  
Again and again  
Hes got me twisting  
Im lovin every minute  
And it's only been 7 days  
7 days in

Next thing that i knew we're more than texting  
Da, da, da  
Up all night and starin at the stars  
Oh  
i never knew, i never knew what i was missing  
Da, da, da  
Hes breaking down the walls around my heart  
And by the 6th day, im in it so deep  
When he tells me im the only one he wants to keep i come undone

Yeah

7 days in  
My head it spinnin  
Im falling so fast  
I just wanna crash into it  
Again and again  
Hes got me twisting  
Im lovin every minute  
And it's only been 7 days  
7 days in

Take a cup of love  
The day the that i woke up  
The way he holds me tight  
The way he makes it right  
It suprised me opened up my eyes  
And made me see again  
Now im breathin

7 days in  
My head it spinnin  
Im falling so fast  
I just wanna crash into it  
Again and again  
Hes got me twisting

Im lovin every minute  
And it's only been 7 days  
7 days in

Da, da, da, da, da, da  
Da, da, da, da, da, da

Im falling so fast  
I just wanna crash into it  
Again and again  
Hes got me twisting  
Im lovin every minute  
And it's only been 7 days
