Tiga

I'd love to comb your hair
Your hair is such a mess
Now just take off that dress
I'd love to comb your hair
I don't like my hair neat
Just take off your shoes
You've got nothing left to lose
Just take off your shoes
The shoes stay on my feet (on my feet)

What's that sound?
I like that sound
I love that sound
It's the sound of my shoes
