

Jungle Cat

Tiger Army

Darkness on the city streets Violence in the air I can feel the
animals looking at me
But I'm a tiger and I have no fear I'm a big cat I don't fuck a
round I prowl the streets without a sound
And the human jungle just brings us down... (I'm a tiger living
in a zoo)
Don't step on my tiger tail I'll rip your guts out, I don't care
Out looking for a tigress In fishnet stockings and a rocking dress
Playing games is not our style When the Tiger Army's on the prowl
And the human world just brings us down...
(I'm a tiger living in a zoo)
