

Oogie Boogie's Song

Tiger Army

Well, well, well, what have we here?
Sandy Claws, huh?
Oh, I'm really scared
So you're the one everybody's talkin' about, ha, ha, ha

You're jokin', you're jokin'
I can't believe my eyes
You're jokin me, you gotta be
This can't be the right guy
He's ancient, he's ugly
I don't know which is worse
I might just split a seam now
If I don't die laughing first

When Mr. Oogie Boogie says
There's trouble close at hand
You'd better pay attention now
'Cause I'm the Boogie Man
And if you aren't shakin'
Then something's very wrong
'Cause this may be the last time now
That you hear the boogie song, ohhh

Ohhh
Ohhh
Ohhh
I'm the Oogie Boogie Man

Well if I'm feelin' antsy
And there's nothin' much to do
I might just cook a special batch
Of snake and spider stew
And don't ya know one thing
That would make it work so nice?
A roly-poly Sandy Claws to add a little spice

Ohhh
Ohhh
Ohhh
Ohhh
I'm the Oogie Boogie Man

You're jokin', you're jokin'
I can't believe my ears
Would someone shut this fella up
I'm drownin' in my tears
It's funny, I'm laughing
You really are too much
And now, with your permission
I'm going to do my stuff

Ohhh
Ohhh
Ohhh
Ohhh
I'm the Oogie Boogie Man

Ohhh
Ohhh
Ohhh
Ohhh

I'm the Oogie Boogie Man

The sound of rollin' dice
To me is music in the air
'Cause I'm a gamblin' Boogie Man
Although I don't play fair

It's much more fun, I must confess
When lives are on the line
Not mine, of course, but yours, old boy
Now that'd be just fine

Oh, brother, you're something
You put me in a spin
You aren't comprehending
The position
That you're in
It's hopeless, you're finished
You haven't got a prayer
'Cause I'm Mr. Oogie Boogie
And you ain't going nowhere
