Like My Very Own Blood

Tiger Lou

I promise you better things from now on I'm gonna love you like my own son no more then me that you use to meet out here at night I swear, I swear I'm gonna love you like my very own son like my very own blood I swear I'm gonna love you like my very own son like my very own blood I swear I will love you right there sometimes I fear these hands of mine let us never mention this again I'm gonna love you like my very own son like my very own blood I swear I'm gonna love you like my very own son like my very own blood I swear I'm gonna love you like my very own son like my very own blood I swear I'm gonna love you like my very own son like my very own blood I swear I'm gonna love you like my very own son like my very own blood I swear I'm gonna love you like my very own son like my very own blood I swear and I'm gonna love you like my very own son like my very own blood
