

Trouble And Desire

Tiger Lou

A strange and wonderful thing has happened here
It's a miracle of some sort, nothing to fear
You laughed and said: "would you make mine a double?"
I smiled and thought: "you'll offer me nothing but trouble,"

It's a strange and wonderful thing to feel this way
It's a miracle of some sort to hear you say
That tonight you don't wanna be alone
We'll stop for chinese on our way home
