

I Was Never Your Boyfriend

Tigers Jaw

If you call me and ask for his name
or if you called for his number;
the worst part of my existence
is you're best friends forever.
You're in bands together
And I'm not getting better.
I'm just feelin' sick.
So much time went on
and I'm just finding out about this.

And if you see me looking back
or if you see me better
the worst part of my existence
Is you can call whenever,
but I can't wait forever.
