Hung at 7/11 just to feel sedate
and got on the bus at 25 to eight.
We got where we were going to, but we were late.

I'm feeling kinda lazy, I don't like this place.
I've got my hood up to here and you can see my face.
And I hope that this week goes well, I won't get my grades.
'Cause it's nothing like that, it's just you're not in my place
.
