

I Just Got A Felling Makez My Body Crawl
Something Tellz Me
When You Leave
You Won't Come Back No More

I Ain't Gonna Take This
I Know We Ain't Through
But What Can I Do? I Can't Shake You
Baby Tell Me Something
To Put My Mind At Ease
Just Give Me A Sign Babe
That You Gonna Be Mine
Baby Tell Me Something
Tell Me How It's Gonna Be

Let's Do It Up

Let Me Tell You How It's Gonna Be...

Leave Me Torn And Bleeding
Lead Me To The Wire
Point Me At The Sky, Oh Won't
You Lead Me Through The Fire
I Ain't Gonna Take This,
I Know We Ain't Through
But What Can I Do? I Can't Shake You
Baby Tell Me Something Tell Me
How Good It's Gonna Be
Let's Do It Up
