

Falling Down

Tigertailz

Falling down, falling down.

Um bar dar day
Um bar dar day, bar doh
Um bar dar day
Um bar dar day, bar doh

If I had a soul,
I would like to keep it free from evil
If there was a god,
I would pray that he is close at hand
You know that all my life I've tried to make a difference
(Yes I have)

So much to feel, so much I don't understand

So that's why I'm

Falling down, falling down.
Throw me in the water, watch me drown
I'm falling down

Um bar dar day
Um bar dar day, bar doh
Um bar dar day
Um bar dar day, bar doh

Open my eyes, I can feel my mind unwinding
(Um bar dar day, Um bar dar day, bar doh)
As far as I have seen, I fear they will strike me blind
(Um bar dar day, Um bar dar day, bar doh)

That's why I'm

Falling down!
Falling down.
Throw me in the water, Watch me drown
I'm falling down

(Yes I am)

Um bar dar day
Um bar dar day, bar doh
Um bar dar day
Um bar dar day, bar doh

I'm falling down
Falling down

Instrumental

Falling down, falling down.
(Yeah, yeah yeah)
Throw me in the water, watch me drown
I'm falling down

Falling, falling, falling down!

Throw me in the water, Watch me drown
I'm falling, I'm falling, I'm falling down
