

Sugar Fever

Tigertailz

I got a sweet,sweet,sweet sugar fever
I got it bad,so bad that sweet disease

Point me at your enemy
'cause baby I'm a slave to freedom
Open hunting season in this theatre of war
Drop me in the combat zone
But promise me I'll make it home
Dress me in your colours
Come on bless me underneath the flag

Shooting up in the jungle
Gets you a heart attack

I got a sweet,sweet,sweet sugar fever
I got it bad,so bad that sweet disease
I got a sweet,sweet,sweet sugar fever
Na na na na
You're giving me

I got a sweet,sweet,sweet sugar fever

On won't you shower me in sacred weapons
I will fight for soul possession
I'm a slave to sweet aggression
They'll never take me alive

Shooting up in the jungle
Gets you a heart attack

I got a sweet,sweet,sweet sugar fever
I got it bad,so bad that sweet disease
I got a sweet,sweet,sweet sugar fever
Na Na Na Na
You're giving me

I got a sweet,sweet,sweet sugar fever
