

Will She Just Fall Down

'Til Tuesday

I'd like to take her home
But no one walks where she does
She goes into the cold
Wearing two unmatched gloves

[Chorus:]

Is it that (a change of scene is all she needs)
Maybe it's (something she works out alone)
And if I don't hold her up
Will she just fall down?

She says she feels fine
She says she feels right at home
But I can hear her cry
When I leave the room oh

[Chorus]

Well, some essential part
Is missing that I just can't replace
I know that these things are a matter of grace

And on her birthday I'll
Get a watch to keep her time
And I'll stay up with her
When she forgets to wind it

Is it that (a change of scene is all she needs)
Maybe it's (something she works out alone)
She says that (she only needs a change of heart)
Too bad that (parts alone are not enough)
And if I don't hold her up
And if I don't hold her up
And if I don't hold her up
Will she just fall down?
