

I Love U

Tila Tequila

You know, I just wanna let you know
That I never felt this way about anybody else
I-I-I think I love U
So don't think I'm crazy when I tell you this
But if you ever hurt me, I'll fuckin' kill you!

You better go down when you get with me
You better realize that I'm what you need
You better get here before I count to 3
You better do right, I'll fuck you up!

You never thought that a bitch like me
Would fuck you up if you cannot please
So you betta bow down and get on your knees
Pull the diamonds out, gimme what I need

Hold up! Do you see me laughin'?
You think that it's a joke,
I'ma start harassin'
All your little hoes that be tryin' to pass me
You better tell them
I'ma kick they ass in!

What?! Who are you talkin' to?
You better hang up or I'm through with you!
And who the fuck is this bitch on your page
With her big ass tits up on your Top 8?

'Cause I'm the crazy bitch that's runnin' the game
'Cause I'm the crazy bitch that's callin' ya name '
Cause I'm the crazy bitch, I ain't got no shame

You better go down when you get with me
You better realize that I'm what you need
You better get here before I count to 3

How come every time you go do it again?
Why you always drunk when you wit your friends?
Shut the fuck up and get in my Benz!
Do what I say, I don't give a damn!

You better obey if you want my nookie
You better stop talkin' to all them hoochies
You better wise up and listen to me

Hold up! You think I'm trippin' now?
You askin' all your friends why your ride is down
You wonderin' why your tire's blown
And why your cell phone ain't work no more

'Cause I'm the crazy bitch that's runnin' the game
'Cause I'm the crazy bitch that's callin' your name
'Cause I'm the crazy bitch, I ain't got no shame
