Infatuation is got me spinning out of control  
My body achin and I'm not sure why but I'm sure it's got someth  
ing to do  
Do with you  
Come once, Come twice, I'm explodin inside  
Let's do it all night, Wanna go on a ride

Tell me what's going through your mind  
Sex want sex  
Please sex me up just one more time  
Sex want sex  
Turn me around and go on down  
Sex want sex  
You know I'll like it don't mess around  
Want sex want sex want sex want sex you naughty boy

Shed more rain droplets of your sweat dripping onto me  
I'll lick you up and down and all around until your body is in

Tell me what's going through your mind  
Sex want sex
