

## Sacred & Mundane

Tiles

Evaporate  
Drop by drop  
Sinking inch by inch  
Feel the ebb and flow  
As momentum slows

Accumulate  
One by one  
Changing bit by bit  
Ivory tower test  
Entertains the guest

Hidden in the space between the words  
Another dialect to learn  
An ounce prevents a pound of cure  
Sacred and mundane

Articulate  
Word by word  
Standing face to face  
Bridges burning still  
In a test of wills

Manipulate  
Step by step  
Twisting day by day  
Addicted to the fight  
Words as sharp as knives

I see blue washing into orange and red  
Fanning sparks to flame  
Details multiply  
Never twice the same

Assimilate  
Choice by choice  
Shrinking lie by lie  
False identity  
Keeping you from me
