

Beat Control

Tilly and the Wall

Let the beat control you.
Let the beat control you.
Let the beat control you.
Let the beat control you.

All these people talkin' 'bout you now,
they don't make no difference no.
We always have the rhythm here,
in our blood and in our souls.

So let the beat control you now,
there's nothing here to care about.
Just you and me let's break it down,
so follow me I'll show you how.

All these people talkin' 'bout you now,
they don't make no difference no.
We always have the rhythm here,
in our blood and in our souls.

So let the beat control you now,
there's nothing here to care about.
Just you and me let's break it down,
so follow me I'll show you how.

The beat! The beat!
The beat! The beat!
The beat! The beat!
The beat! The beat!

Let the beat control your body,
you and me there's no one watching.
C'mon we can rock this party
all night long believe me.

Let the beat control your body,
you and me there's no one watching.
C'mon we can rock this party
all night long believe me.

There is nothing stopping you,
there is nothing stopping me.
So let that beat control your body baby.

There is nothing stopping you,
there is nothing stopping me.
So let the beat control your body baby.

All these people talkin' 'bout you now,
they don't make no difference no.
We always have the rhythm here,
in our blood and in our souls.

So let the beat control you now,
there's nothing here to care about.
Just you and me let's break it down,
so follow me I'll show you how.

Aaaalllllllll the people gather 'round now.
Aaaalllllllll the people gather 'round now.

There is nothing stopping you,
there is nothing stopping me.
So let the beat control your body baby.

There is nothing stopping you,
there is nothing stopping me.
So let the beat control your body baby.

Aaaalllllllll the people gather 'round now.
So let the beat control your body baby.
Aaaalllllllll the people gather 'round now.
So let the beat control your body baby.

The beat! The beat!
The beat! The beat!
