

## Song Slowly Song

Tim Buckley

With your beautiful hair  
And your sixteen years  
You kissed me as I lay still

If I can see you never  
Then I'll sleep forever  
All my lonely love to kill

With your beautiful hair  
And your sixteen years  
You kissed me as I lay still

If I can see you never  
I'll sleep forever  
All my lonely love to kill
