

## Sloe Gin

Tim Curry

Sloe Gin, sloe Gin  
Tryin' to wash away the pain inside  
Well I'm sick and I'm all done in  
and I'm standing in the rain  
and I feel like I'm gonna cry

I'm so f\*\*king lonely  
and I ain't even high  
I'm so f\*\*king lonely  
and I feel like I'm gonna die

Mayday, mayday I've been shot down  
over the stormy sea  
Well I swear that I'm drifting away  
Just can't get a grip on me  
Well..I can't even try

I'm so f\*\*king lonely  
and I ain't even high  
I hate to go home alone,  
But what else is new ?  
I'm so f\*\*king lonely

I hate to go home alone,  
But what else is new ?  
I'm so f\*\*king lonely  
I'm so f\*\*king lonely

You stand and bleeding people pass you by  
Don't matter if you live  
Don't matter if you die

Sloe Gin, sloe Gin  
Tryin' to wash away the pain inside  
Well I'm sick and I'm all done in  
and I'm standing in the rain  
and I fell like I'm gonna cry

I'm so f\*\*king lonely  
and I ain't even high  
I'm so f\*\*king lonely...
