

Almighty God

Tim Hughes

The rising sun that fills the sky
The starry host that lights the night
Reflecting Your glory

The mountain heights, forever stand
The rain that falls to soak the land
Respond to Your glory

Almighty God, in every way
You are above and beyond understanding
If we did not praise, the rocks would cry out
Glorious God, high above understanding

The vast expanse of earth and sea
Held by You in harmony
Speaks of Your glory

All You've made, since time began
Life itself; Your perfect plan
And it's all for Your glory

Almighty God, in every way
You are above and beyond understanding
If we did not praise, the rocks would cry out
Glorious God, high above understanding

Creation joins as one to sing
"What a glorious God"
So far above all earthly things

Almighty God, in every way
You are above and beyond understanding
If we did not praise, the rocks would cry out
Glorious God, high above understanding

Almighty God, in every way
You are above and beyond understanding
If we did not praise, the rocks would cry out
Glorious God, high above understanding
