

Day After Day

Tim Hughes

Day after day
I'll search to find You
Day after day I'll wait for You
The deeper I go the more I love Your name
So keep my heart pure and my ways true
As I follow You

Keep me humble, I'll stay mindful
Of Your mercies Lord
I'll cherish your Word
I'll seek Your presence
I'll chase after You with all I have
For one day I know I'll see you face to face
