

Ecclesiastes

Tim Hughes

There's a time for tears
And a time to dance
There's a time to let go
And a time for romance
There's a time for war
And a time for peace
There's a time to embrace
And a time to release

Oh my Lord I need to find
Take my hand and I will follow

There's a time for love
And a time to hate
All the evil choices that we make
There's a time to rise
And a time to fall
It's a time to keep
Or just throw at all

Your love in every breathe I take
In every step I make
Your love will shine on me
