

# Love Shine Through

Tim Hughes

Love shine through  
All the pain I feel  
In my darkest hour  
I am weak but You are strong  
Holding on  
Don't let me go

In Your light I will follow  
Christ within me shine

And here I stand  
Everything is Yours Lord  
All I am  
Humbled by Your love  
Take Your place  
Jesus be the centre  
I'm nothing without You

God shine through  
Every hope and prayer  
And my heart it aches  
To be one with you my Lord  
Wake my soul  
Let Your kingdom come

In Your light I will follow  
Christ within me shine

Cause Your face to shine upon us  
Lord arise and shine

Let it shine  
(Let it shine let it shine...)

God shine through, Lord shine through, may Your love shine through  
(Let it shine Let it shine...)
