

# You Don't Know What I Know

Tim Maia

You don't know  
What i know  
Because i know  
Where we came from  
We came from it the super world  
World of rational energy  
And we live in energy world  
World of animals energy  
Read the book, the only book, the book of god  
Universe in Disenchantment  
And you going know the truth
