

# Memory Lane

Tim McGraw

People ask me What you doin' son  
You're gonna drive yourself insane  
You'll never find the sunshine  
When you're followin' the rain  
Seems like I'd take a new road  
After all these years  
But I wind up on the same old trail of tears

I'm still walkin' down Memory Lane  
'Cuz I know I'll be runnin' into you  
Reminisclin' through the pain  
Recallin' things that we used to do  
I'm lookin' up an old flame  
Down on Heartbreak Avenue  
I'm still walkin' down Memory Lane  
'Cuz I know I'll be runnin' into you

I hate the way I loved you  
But my mind keeps goin' back  
My train of thought just won't get off  
That same old worn out track  
It's an every night occasion me and your memory meet  
On that endless lonely street of broken dreams

I'm still walkin' down Memory Lane  
'Cuz I know I'll be runnin' into you  
Reminisclin' through the pain  
Recallin' things that we used to do  
I'm lookin' up an old flame  
Down on Heartbreak Avenue  
I'm still walkin' down Memory Lane  
'Cuz I know I'll be runnin' / Into you

I'm still walkin' down Memory Lane  
Cuz I know I'll be runnin' into you  
Reminisclin' through the pain  
Recallin' things that we used to do  
I'm lookin' up an old flame  
Down on Heartbreak Avenue  
I'm still walkin' down Memory Lane  
'Cuz I know I'll be runnin' / Into you

Here she comes now  
I'm still walkin'  
Down Memory Lane  
I'm still walkin'  
Down Memory Lane  
I'm still walkin'  
Down Memory Lane  
Lord, I'm walkin'  
Down Memory Lane  
Oh, I'm walkin'  
Down Memory Lane  
I'm still walkin'  
Down Memory Lane
