

## Middle Age Crazy

Tim McGraw

Well today he traded his big '98 Oldsmobile  
He got a heck of a deal on a new Porsche car  
He ain't wearing his usual gray business suit  
He's got jeans and high boots with an embroidered star

And today he's forty years old, going on twenty  
Don't look for the gray in his hair 'cause he ain't got any  
He's got a young thing beside him that just melts in his hand  
He's gone middle aged crazy, trying to prove he still can

He's gotta a woman he's loved for a long, long time at home  
Ah, but the thrill is all gone when they cut down the lights  
They've got a business that they spent a while coming by  
Been a long uphill climb but now the profits are high

And the day today he's forty years old, going on twenty  
And he hears of sordid affairs and he ain't had any  
And the young thing beside him, he thinks she understands  
That he's middle aged crazy, trying to prove he still can  
Oh he still can
