## She's My Kind of Rain

## **Tim McGraw**

She's my kind of rain
Like love in a drunken sky
She's confetti falling
Down all night
She sits quietly there

She sits quietly there Black water in a jar Says, Baby why are you Trembling like you are

So I wait And I try I confess like a child

She's my kind of rain Like love from a drunken sky Confetti falling down all night She's my kind of rain

She's the sun set shadows
She's like Rembrandt's light
She's the history that's made at night
She's my lost companion
She's my dreaming tree
Together in this brief eternity
Summer days, winter snows
She's all things to behold

She's my kind of rain Like love from a drunken sky Confetti falling down all night She's my kind of rain

So I wait
And I try
I confess all my crimes

She's my kind of rain Like love from a drunken sky Confetti falling down all night She's my kind of rain

She's my kind of rain
Like love from a drunken sky
Confetti falling down all night
She's my kind of rain

She's my kind of rain Oh, rain on me She's my kind of rain
