The Only Thing That I Have Left

Tim McGraw

Some people say I'm one of those guys with blessings in life ov erlooked

Sometimes I feel like the tatter torn pages of some old paperba ck book

All the places I've played and the money I've made still I've g ot nothing to show

And the only thing that I have left in the whole wide world is you

You put your whole life into somethin' you love and you never g et that one big break

That'll take you out of the back street bars and put you on cen ter stage

But a million tears and a million beers have just about washed me up

And the only thing that I have left in the whole wide world is you

I gave it all I had every night for all these years Pourin' out my soul 'til it was gone

I spread myself so thin and I'm just barely hangin' on But tonight I'm with you and you can carry me through Just love me

'Cuz the only thing that I have left in the whole wide world is you

I gave it all I had every night for all these years Pourin' out my soul 'til it was gone

I spread myself so thin and I'm just barely hangin' on But tonight I'm with you and you can carry me through Just love me

'Cuz the only thing that I have left in the whole wide world is you

Oh, is you
