The Trouble with Never

Tim McGraw

If I never think about her, I'll never miss her at all Never wonder what she's doin, never give her a call Never see her again and I'll be free as a bird But the trouble with never is never never works

If I never bring her flowers, I'll never see her smile
If I never try to kiss her, she'll never drive me wild
And I'll never feel the need to say those three little words
But the trouble with never is never never works
