You Got the Wrong Man

Tim McGraw

Your eyes say that you've been hurt before And you can't take the heartache anymore You think I'll do what he's done to you Break your trust and be untrue But baby this is me you're talkin' to

You got the wrong man, it's not me
A case of mistaken identity
I didn't break your heart you see
What can I do to make you understand
You got the wrong man

I know you think that love will never last And you see your future like the past You don't want to make the same mistake You think that I'm one more to make But baby, I'm not him for goodness sake

You got the wrong man, it's not me
A case of mistaken identity
I didn't break your heart you see
What can I do to make you understand
You got the wrong man

You think I'll do what he's done to you Break your trust and be untrue But baby this is me you're talkin' to

You got the wrong man, it's not me
A case of mistaken identity
I didn't break your heart you see
What can I do to make you understand
You got the wrong man
