

# Be My Valentine

Tim McMorris

Won't you be my  
Won't you be my  
Won't you be my valentine  
Because I adore you  
I'd give anything for you  
You make me smile, smile, smile

And when I'm around you  
Things get kinda hazy  
Because I am crazy,  
Crazy for you

I cannot describe it  
Except that I am in love  
Yeah, I'm feeling feelings  
Feelings for you

And now I'll shout to the world my love for you  
The irresistible love that I've fallen into  
Life is wonderful, cause you shine through  
There's no one that makes me feel like you do

And I will sing because your beautiful in all that you are  
Like a clear night sky graced by a shooting bright star  
So, won't you be my, won't you be my  
Won't you be my sweet valentine

Oh and, I will stay true  
I will stay true, I will stay true, true to you  
From the day that I met ya', I couldn't forget ya'  
You stuck in my mind, mind, mind

Every time that you laugh, every time that you smile  
My heart it melts, I could stay here a while  
And it's pure satisfaction, the kind of attraction  
Chemical reaction, I have in my heart

And now I'll shout to the world my love for you  
The irresistible love that I've fallen into  
Life is wonderful, cause you shine through  
There's no one that makes me feel like you do

And I will sing because your beautiful in all that you are  
Like a clear night sky graced by a shooting bright star  
So, won't you be my, won't you be my  
Won't you be my  
Sweet valentine
