

# New Year's Song

Tim McMorris

It's a new day, and a new year  
Shout it out loud, sing with the crowd  
Celebrate cause, good things are coming  
New opportunities are at the door

Hold your head up, drop the sorrow  
No regrets now, for tomorrow  
It's a new chance, for a new life  
Everything you've been waiting for

The futures bright now  
As things turn over  
The possibilities  
Around the corner

New innovation, with new creation  
All the good things we have in store

Now it's a brand new day  
And it's a brand new year  
And there is hope in tomorrow  
Now there's nothing to fear  
It's not coming, yeah it's already here

Now it's a brand new day  
And it's a brand new year  
So sing and be happy  
And share the good cheer  
It's not coming, yeah it's already here

It's time to dream, bigger dreams  
Where impossible is not hard as it seems  
And live in high hopes, throughout your day  
And know that happiness is quickly on it's way

We're movin' forward, we're goin' higher  
We're reachin' things that we formerly just desired  
Fun and excitement, it fills the air  
And there's more than enough, for us to share

Now it's a brand new day  
And it's a brand new year  
And there is hope in tomorrow  
Now there's nothing to fear  
It's not coming, yeah it's already here

Yeah it's a brand new day  
And it's a brand new year  
So sing and be happy  
And share the good cheer  
It's not coming, yeah it's already here
