

Straight To The Top

Tim McMorris

I've been, around the world
Seen a lot of things, as the earth has twirled
Been amazed and excited, collectin' the clues
When I was running tryin' to fill my own shoes
And now I'm, right here, and everything's good
And all the little pieces fit just like they all should
Yeah, life is goin' fine, I'd even say it was good
Today I wouldn't change a thing if I could

Hey, hey, hey
I'm going up, straight up to the top
Walking out, holdin' my head up high
Hey, hey, hey
Movin on to a brand new place
And now it's here in the blink of an eye
Hey, hey, hey
You can't stop me me now, I'm moving fast
Going everywhere I wanted to be
Hey, hey, hey
And now I'm here, today was made for me
Ya I was born, I was born to be free

[Repeat Chorus]

Yeah, I got something to dance about
Gotta give a spin, a jump, a scream, a laugh and a shout
I'm gonna celebrate it's time for me to move up and out
To live and live a life beyond any doubt
And it's, just right, all the doors are open
And things coming together just the way I was hopin'
Now I'm never giving up, and no I'm not looking back
Traveling on, keeping the right track

Hey, hey, hey
I'm going up, straight up to the top
Walking out, holdin' my head up high
Hey, hey, hey
Movin on to a brand new place
And now it's here in the blink of an eye
Hey, hey, hey
You can't stop me me now, I'm moving fast
Going everywhere I wanted to be
Hey, hey, hey
And now I'm here, today was made for me
Ya I was born, I was born to be free

[Repeat Chorus]
