

Canvas Bags

Tim Minchin

Take your canvas bags
When you go
To the supermarket
Why use plastic ones when you know
You know the world can't take it

Take your canvas bags
When you go-ohh
To the supermarket, market, mark-et-yea-yeah-yeah
Don't you use those plastic ones
No, no, no, oomff
Don't you know that you'll feel better for it

Take your canvas bags
Take your canvas bags
Take your canvas bags
To the supermarket

Take your canvas bags
Take your canvas bags
Take your canvas bags
To the supermarket

Take your canvas bags
Take your canvas bags
Take your canvas bags
To the supermarket

Uhm-uhm

Take your canvas baaaah-ah-ah-ah-ah-ags
Take your canvas bags
To the supermarket

Break it down
Take your canvas
Take your canvas
Take your canvas bags
To the supermarket

All the ladies in the house
Come on and let me hear you say canvas
(Canvas)

All the fellas in the house
Come on and let me hear you say bags
(Bags)

Take your canvas bags
Take your canvas bags
Take your canvas bags
To the supermarket

Just think about the world
And how the world would be fantastic
If we could get rid of all the plastic
We just need to get enthusiastic

Organize a competition gymnastic
Or a bag making comp at your school
Fuck it, make it interscholastic
Canvas is for everyone
Whether you be rebellious and iconoclastic
Or conservative or ecclesiastic
I don't care if you're loud and bombastic
Or quiet or virtually monastic
Sober or what they used to call spastic
Yoga master or completely inelastic
I'm not trying to be ironic or sarcastic
Just do something drastic
To rid the world of plastic

Take your canvas bags
Take your canvas baaaaah-aaah-aaags
To the supermarket

Take your canvas, clap
Yeah you gotta clap
Take your canvas
Yeah sing along, if you've figured out the words
Just keep, just keep it going

Take your canvas bags
Take your canvas bags
Take your canvas bags
To the supermarket

Blackout, fuck yeah
