Every Tear Has A Reason Why

Tim O'Brien

Every day is a long time waiting
Every night is alone and cryin?
Your memory is a long time fadin?
Every tear has a reason why, every tear has a reason why

Echos are fillin? the hallways, bringin? back those better time ${\bf s}$

The smell and the touch and the taste of you won?t leave my \min d

You?re a ghost in the house we lived in, I can feel you everywh ere

I know better than to hope that you still care But I keep lookin? for you out there

Every day is a long time waiting
Every night is alone and cryin?
Your memory is a long time fadin?
Every tear has a reason why, every tear has a reason why

You came in like the dawn of a new day, now the dark is settlin ? in

I don?t know if I can find a life worth livin? again
In the night, in the still of the shadows, I can?t help but won der why

I bought into a trouble that no one else would buy And every tear has a reason why

I chased you until you caught me, caught me so unaware Look at all the things you taught me about a dead end love affa ir

Every day is a long time waiting
Every night is alone and cryin?
Your memory is a long time fadin?
Every tear has a reason why, every tear has a reason why
