

More Love

Tim O'Brien

I'm so close to you baby but I'm so far away
There's a silence between us
And there's so much to say

You're my strength, you're my weakness
You're my faith, you're my doubt
We gotta meet in the middle
To work this thing out

More love, I can hear our hearts cryin'
More love, I know that's all we need
More love to flow in between us
To take us and hold us and lift us above
If there's ever an answer it's more love

We're afraid to be idle so we fill up the days
We run on a treadmill
Keep slavin' away

Until there's no time for talkin'
About troubles in mind
And the doors are all closed
Between your heart and mine

More love, I can hear our hearts cryin'
More love, I know that's all we need
More love to flow in between us
To take us and hold us and lift us above
If there's ever an answer it's more love

Just look out around you, people fightin' their wars
They think they'll be happy
When they settle their scores

Let's lay down the weapons
That hold us apart
Be still for just a minute
Try to open our hearts

More love, I can hear our hearts cryin'
More love, I know that's all we need
More love to flow in between us
To take us and hold us and lift us above
If there's ever an answer it's more love
