I'm so close to you baby but I'm so far away There's a silence between us And there's so much to say

You're my strength, you're my weakness You're my faith, you're my doubt We gotta meet in the middle To work this thing out

More love, I can hear our hearts cryin'
More love, I know that's all we need
More love to flow in between us
To take us and hold us and lift us above
If there's ever an answer it's more love

We're afraid to be idle so we fill up the days We run on a treadmill Keep slavin' away

Until there's no time for talkin' About troubles in mind And the doors are all closed Between your heart and mine

More love, I can hear our hearts cryin'
More love, I know that's all we need
More love to flow in between us
To take us and hold us and lift us above
If there's ever an answer it's more love

Just look out around you, people fightin' their wars They think they'll be happy When they settle their scores

Let's lay down the weapons That hold us apart Be still for just a minute Try to open our hearts

More love, I can hear our hearts cryin'
More love, I know that's all we need
More love to flow in between us
To take us and hold us and lift us above
If there's ever an answer it's more love
