

Walk Beside Me

Tim O'Brien

Put one foot in front of the other
Steppin into the here and now
I'm not sure just where I'm goin
but I will get there anyhow

I got this far with no direction
Followed my nose to where I stand
My heart's still strong, I know I'll make it
Sit right down in the promised land

Sister come and walk beside me, until our pathways do divide
Nothin much but love to give you, even less have I to hide

When you left me in the spring time
So many questions in my mind
Summer came and left me waitin
Not one answer could I find

I see you in the Rocky Mountains
I feel you on the great North Sea
It's a lonesome road I have to travel
But you will always be with me

Brother come and walk beside me, until our pathways do divide
Nothin much but love to give you, even less have I to hide

I hear laughter in the thunder
I feel comfort on the wind
I see hope in hopeless faces
Someday they will love again

People come and walk beside me, until our pathways do divide
Nothin much but love to give you, even less have I to hide
