Walk Beside Me

Tim O'Brien

Put one foot in front of the other Steppin into the here and now I'm not sure just where I'm goin but I will get there anyhow

I got this far with no direction Followed my nose to where I stand My heart's still strong, I know I'll make it Sit right down in the promised land

Sister come and walk beside me, until our pathways do divide Nothin much but love to give you, even less have I to hide

When you left me in the spring time So many questions in my mind Summer came and left me waitin Not one answer could I find

I see you in the Rocky Mountains
I feel you on the great North Sea
It's a lonesome road I have to travel
But you will always be with me

Brother come and walk beside me, until our pathways do divide Nothin much but love to give you, even less have I to hide

I hear laughter in the thunder I feel comfort on the wind I see hope in hopeless faces Someday they will love again

People come and walk beside me, until our pathways do divide Nothin much but love to give you, even less have I to hide
