3:30 in the Morning

Timbaland

Oh Well well well, mmm Oh ho oh oh oh ho oh Mmm, mmm, uh uh Oh yeah Oh yeah yea Tell me why you trippin', out on me, mm Everytime I wanna hang out You get mad at me Why can't I do the things, that I like to do, mmm Why can't you put your trust in me Like I put my trust in you Even if I'm... Even if I'm out till 3:30 in the morning I won't talk to no one, I'ma tell 'em about my honey Even if the guys try to tip me with their money I'ma let 'em know I'm dedicated to my honey Why you wanna argue with me, all the time? Even when I'm out with my girls You be on my mind Why can't you sit down And understand That no matter where I be, or where I am I let them know that you're my man, you're my man Even if I'm out till 3:30 in the morning I won't talk to no one, I'ma tell 'em about my honey Even if the guys try to tip me with their money I'ma let 'em know I'm dedicated to my honey No one but you I'll be coming home to you No one but you Even if it's after two Even if I'm out till 3:30 in the morning I won't talk to no one, cause I've got my honey Even if the guys try to tip me with their money I'ma let 'em know I'm dedicated to my honey
