

Give It to Me

Timbaland

Is it going? Is it going?
Is it going? Is it going?
I don't know.. what you're lookin' for

Oh yea boss
Come on

I'm the type of girl to look you dead in the eye-eye
I'm real as it come if you don't know why I'm fly
Seen you tryna switch it up but girl you ain't that dope
I'm a Wonder Woman, let me go get my robe
I'm a supermodel and mami, si mami
Amnesty International got Bangkok to Montauk on lock
love my ass and my abs in the video called "Promiscuous"
My style is me-tic-tic-ticulous, 'ticious, 'ticious

If you see us in the club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't here to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)

When Timbo is in the party, everybody put up they hands
I get a half a mil' for my beats, you get a couple gra-an-and
Never gon' see the day that I ain't got the upper hand
I'm respected from Californ-I-A, way down to Japan
I'm a real producer and you just a piano man
Your songs don't top the charts, I heard 'em, I'm not a fa-an-an
Niggas talkin' greasy, I'm the one that gave them they chance
Somebody need to tell them that they can't do it like I can

If you see us in the club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't here to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)

Could you speak up and stop mu-mumblin', I don't think you came in clear
When you're sittin' on the top, it's hard to hear you from way up here
I saw you tryin' to act cute on TV, "Just let me clear the air..."
We missed you on the charts last week, damn, that's right you wasn't there
If se-sexy never left, then why's everybody on my shi-it-it
Don't hate on me just because you didn't come up with it
So if you see us in the club, go on and walk the other way
Cause our run will never be over, not at least until we say

If you see us in the club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't here to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)

Oh.. (Damn, improve)
Oh.. (Damn, improve)

Oh.. (Damn, improve)
Oh.. (Damn, improve)

Oh.. (Damn, improve)
Oh.. (Damn, improve)
Oh.. (Damn, improve)
Oh.. (Damn, improve)

... club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't here to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)

If you see us in the club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't here to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)
