If you're livin' for love, start livin' for life
If you're having a baby, then make her your wife
If you're up in the club where the dub
It's like a bank sell to the highest bid
Put the cash in your bank
Girl I'm lovin' your booty, you can "hoo" to my blow
Then fish but please honey child, don't kiss
All I want is a freak when I'm up in the club
Maybe after the dance, dinner sharp, then the tub
I'm a nigga wit' class, you're a girl with a job
Taste of my neck like corn on the cob
I'm second to none, I'm freaky as ever
Go downtown, "Well I never"

Uh, uh
Well I'm the man, that they call Timbaland
Now he the bir-ba-bir-ba-bird, understand?
We gon' party, until the sun comes up
Bartender, you forgot to fill up my cup, uh
Ain't no stoppin' until your draws start floppin'
There won't be no beef unless the disc stop jockin' (what?)
She said this, and he said that
And he said that Timbaland can't rap
But I don't care because I make dope tracks
I make you bounce and wiggle, and do this and that
Timbaland, where you live at?
VA baby, believe dat

Aye yo, aye yo
Now I'm rich, I once was poor
If you're late with my dough, then there's no show
I grease my hair and it still won't grow
If you feel my butt, boy you gotta go
Out the back for touchin' my back
For trying to jack every Timbaland track
Maganoo, where you was?
They been bitin' our style, those silly bugs
Where's the spray? I'ma spray 'em good
So the next time they bite they die like "Ugh"
I'ma roll up the biggest dutchie
Get some sweets cuz I got the munchies
