

# Scream

Timbaland

I got a plan for you and I  
Let's journey across the Venetian skies  
Can I have some of your cookies? Can I have some of your pie?  
May I cut the first slice? So won't you

Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right

Intoxicated with desire  
And you're the designated driver, yeah  
I'm not afraid 'cause I'm a rider, yeah  
Ain't nothing wrong with feeling right, so won't you

Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right

I love it babe, got me here doing things I don't ever do  
Can't hold me down, that's why I'm here  
Making sure things are up for you, get it?  
Like a getaway, when the lights go off, you turn on  
I love yo' place 'cause I can hear the echo when you make me, oh ooh

Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right

In the car, at the party  
Got his hands on your body  
Don't fight it, ooh  
If you like it, ooh

In your room, on the rooftop  
Feels good, don't stop  
Don't fight it, ooh  
If you like it, ooh  
Why don't you scream!

Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right  
Scream at the top of your lungs if your body's feeling right

Uh, if you love me girl, why don't you scream?  
If it feels good then why don't you scream?  
Uh, if you love me girl, why don't you scream?

'Cause when it feels good  
Don't fight it if you like it  
Yeah  
Don't fight it, ooh  
Yeah  
If you like it, ooh

Break

Don't you like that?  
It feels so good, don't it?  
Grab my hand baby  
Let's take a walk on the beach  
Let's clear our minds

Hold your screaming here  
Don't you like that beat? You do?  
What else you like? Mmm, I can accommodate that  
Oh, you like my swagger? You like how I changed it up?  
I like it too baby

But for now I think the beat is going a little bit too long  
Oh, you like it this long? Hmm!  
That means you like to make love long, yeah  
I feel that, ooh!

I like how you shaking your hips to it, uh  
It's about to end baby but don't you stop  
Keep it going, keep it going, keep it going  
And bring it over here, sit on my lap, kiss me  
No no no, right here, yeah, ha  
Ooh, I like that, ooh, I like that, uh, ooh  
Let me stop \*\*\*\*\* ha ha ha
